IN DEFENCE OF LABOR

By Senator Robert F. Wagner, of New York.

Sponsor of the National Labor Relations Act.

Sponsor of the National Labor Relations Act. No democratic government can by force of law entirely eliminate strife from private industry. During the World War, in the face of the unity of our national endeavor, there were more strikes than at any previous period in our history. In England, despite the longer experience in labor

than at any previous period in our history. In England, despite the longer experience in laber relations, there are usually in progress more strikes per englat than in this country. In Australia, with its much hersided compulsory arbitration, the ratio of strikes and lock-cout to the total population is generally higher than in the United States or Great Britain, and the disturbances extend to the railways, the civil service, the content of the content

Of late we've seen some of the uses that Scripture can be put to, when one is in a tight place.

In Lord Snelli's autobiography, he tells of the difficulties he and other Socialist advocates were put to in the 'gay nineties' to overcome police and clerical-opposition to their implicus demands that the State take over the machinery of production and distribution and abolish powerty.

Sava he:

says he:
"Attempts to suppress our meetings were
met and defeated. When we were not
allowed to speak we 'presched'. Mr. James
Sexton (now Sir James) more than once,
when forbidden by the local police to speak
at a_cheen pitch, hied him to a place allotted
to cutdoor religious services and 'presched'

Lucky for Snell and Jimmy Sexton that the police had received religious instruction in the police had received religious instruction in the police had received it. Upton Sincial had less luck with the San Diego police whose cultural standards are below those of the English-Bobby. He was run in for "seditious utter-ance" for reading the preamble to the Declaration of Independence, which sounded awful in the pure ears of a San Diego cop.

Popular Veteran Jockey Is Among Seven Newcomers

Mrs. M. Pardge's Pumice Stone and Jim Mc-Connell Are Best of Southern Shipment -Races Start 2:30 P.M.

TWENTY-FIVE horses, representing 15 different interests, and seven jockeys who rode with good success at Montana meetings, arrived in the city Tuesday on the eve of what promises to be the most successful race meeting in Edmonton history. The first race today will start at 2:30 p.m.

on history. The first race today will start at 2:00 p.m. While horsemen flocked to the entry wheket to name their charges for Wednesday's opening card, the new shipment was unloaded at the Exhibition grounds. Two of the newcomers, F. Arnold's Sid Lea and Wood and Guston's All Feet, were shated to start on the opening card with the balance resting until later in the meet.
